2. *Transfer of Closing Transferred Property; Bonds and Additional Bonds.*

(a) Effective as of the Closing Date, (i) pursuant to the GDB Restructuring Act and the Qualifying Modification, GDB hereby irrevocably assigns and transfers, without recourse to GDB or its assets (except as provided in the Keepwell Agreement), to the Issuer in consideration for the cancellation of certain of GDB's existing bond obligations and other financial indebtedness and the granting of releases pursuant to the Qualifying Modification, all of GDB's legal and equitable right, title and interest in, to and under, and claims and causes of action to enforce, all of the Closing Transferred Property and any security interests and liens related to the Closing Transferred Property and (ii) the Issuer hereby accepts all the legal and equitable right, title and interest of GDB in, to and under, and claims and causes of action to enforce, all such Closing Transferred Property, without recourse to GDB or its assets (except as provided in the Keepwell Agreement).

(b) The Parties acknowledge and agree that the transfer of the Transferred Property by GDB to the Issuer is in consideration for the Issuer's issuance of the Bonds and the resulting cancellation of the Participating Bond Claims and the granting of releases. In addition, after the Closing Date, upon the Issuer's receipt of written instructions from GDB or AAFAF, the Issuer shall, pursuant to the terms of the Qualifying Modification and in accordance with the Bond Indenture, authorize from time to time the issuance of Additional Bonds under the Bond Indenture in respect of certain contingent claims against GDB set forth in Exhibit C to the Bond Indenture. The Issuer shall issue such Additional Bonds in the principal amount(s) specified by GDB or

AAFAF, as applicable, and in accordance with the instructions from GDB or AAFAF, as applicable; provided that the Additional Bonds (whether issued together or in multiple instances) shall in no event exceed \$61,990,562 in aggregate original principal amount.

(c) GDB and the Issuer acknowledge and agree that, pursuant to the Qualifying Modification, the aggregate consideration to be distributed to holders of Participating Bond Claims, as determined in accordance with the "Exchange Ratio" described in the Solicitation Statement, will be allocated first to the payment of the principal amount of such Participating Bond Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of such Participating Bond Claims, to the payment of any portion of such Participating Bond Claims for accrued but unpaid interest.

3. *Transferred Property Conveyed Post-Closing Date.*

(a) No later than 15 days following (i) the discovery of any Unknown Assets, (ii) the receipt of any GDB Retained Loan Proceeds, Litigation Proceeds (subject to Section 3(e)) or Collections (other than Collections subject to the Keepwell Agreement) or (iii) the identification of any Cash Assets (including the Residual GDB Cash Assets), GDB shall transfer to the Issuer, or take all necessary steps to complete the transfer thereto of, such Transferred Property (in each case, net of any reasonable, documented expenses in excess of GDB's ordinary operating expenses incurred in connection with obtaining such Unknown Assets, GDB Retained Loan Proceeds, Litigation Proceeds or Cash Assets, as applicable), whether held by GDB or a third party, pending which such assets shall be held in trust for the Issuer. The Issuer shall have no obligation or responsibility to investigate or otherwise verify that the assets transferred pursuant to this Section 3(a) constitute all of the assets which should be transferred to the Issuer or that any expenses paid or incurred by GDB in connection with obtaining or transferring such assets to the Issuer are expenses which may be properly netted against the amount of assets to be transferred to the Issuer hereunder.

(b) No later than five Business Days following the receipt, identification or discovery, as applicable, of any Transferred Property or Collections, to the extent not already transferred to the Issuer, GDB shall notify the Issuer, the Servicer and the Collateral Monitor of such receipt, identification or discovery, as applicable, which notification shall reasonably identify the relevant Transferred Property or Collections.

(c) GDB shall transfer to the Issuer all retained rights, title and interests in, to and under, and claims and causes of action to enforce, the Additional Recovery Authority Loans (*i.e.*, other than the Beneficial Interests in such Additional Recovery Authority Loans transferred on the Closing Date), and each such Loan shall constitute Transferred Property, no later than the date that is the earlier of (i) the effective date of a modification, restructuring or similar transaction in respect of such Additional Recovery Authority Loan and (ii) 18 months after the Closing Date.

(d) GDB may, at its option (except as otherwise required pursuant to Section 3(c) above), transfer all rights, title and interests in, to and under, and claims and causes of action to enforce, any GDB Retained Loan at any time, at which time, such GDB Retained Loan shall constitute Transferred Property. GDB shall provide the Issuer, the Servicer and the Collateral Monitor notice of the transfer of any such GDB Retained Loan not less than five Business Days prior to the date of such transfer.

(e) Notwithstanding anything to the contrary herein, GDB may retain all Litigation Proceeds solely for the purposes of (i) satisfying or resolving any contingent and unliquidated claims against GDB arising on or before the Closing Date (other than the claims resolved pursuant

to the Qualifying Modification or the GDB Restructuring Act) and (ii) complying with its obligations under Paragraph 14 of the UCC Stipulation. Upon its sole determination that all such contingent and unliquidated claims and all such obligations under the UCC Stipulation have been satisfied or resolved, GDB shall transfer to the Issuer the remaining Litigation Proceeds in GDB's possession or control at such time and all Litigation Proceeds received by GDB thereafter in accordance with Section 3(a) above. For the avoidance of doubt (y) the retention of the Retained Causes of Action by GDB shall not affect any rights or defenses of GDB or any third parties with respect to such Retained Causes of Actions; and (z) none of the Transferred Property (other than the Litigation Proceeds), the GDB Retained Loans, the Cash Adjustments or the proceeds of any of the foregoing shall be used to satisfy or resolve any such contingent and unliquidated claims against GDB. For the avoidance of doubt, nothing in this subsection (e) shall be deemed to limit GDB's ability to use the Cash Adjustments for the applicable Permitted Uses in accordance with this Agreement.

(f) Notwithstanding anything to the contrary herein, the failure of GDB to transfer any Transferred Property as or when required under this Agreement as a result of the Indenture Trustee's (or any other authorized person's) exercise of rights under Section 4 of the Keepwell Agreement shall not constitute or result in a Transfer Default under this Agreement and shall not provide any person any basis upon which to seek to enforce under this Agreement the transfer of any Transferred Property.

4. *Excluded GDB Assets; Cash Adjustments; GDB Budget.*

(a) Pursuant to the GDB Restructuring Act and the Qualifying Modification, the following GDB assets shall not be transferred by GDB to the Issuer, and shall not make up any portion of the Transferred Property (the "**Excluded GDB Assets**"). The Excluded GDB Assets consist exclusively of:

(i) the GDB Retained Loans (except the Beneficial Interests therein and any GDB Retained Loans that constitute Transferred Property pursuant to Section 3(c) or 3(d));

(ii) cash and cash equivalents consisting of (A) Cash Adjustments required to pay the Permitted Uses for which such Cash Adjustments are reserved and (B) up to \$10 million in Excess Reserved Cash, if any, to satisfy GDB's obligations under Paragraph 2 of the UCC Stipulation;

(iii) the Retained Causes of Action (except the Beneficial Interest therein);

(iv) the Excluded Causes of Action;

(v) the Public Entity Trust Assets;

(vi) the Secured Deposit Account Collateral; and

(vii) the Excluded Personal Property Assets;

provided, for the avoidance of doubt, that the Residual GDB Cash Assets shall constitute Transferred Property and be transferred to the Issuer pursuant to Section 3(a).

(b) GDB shall retain and apply the Cash Adjustments exclusively for the satisfaction of the Permitted Uses as follows:

(i) GDB shall use the Cash Adjustments for the Permitted Uses, continue to service and manage the GDB Retained Loans and otherwise continue to operate pursuant to the GDB Budget, which shall be updated each fiscal quarter in accordance with the terms set forth below until (A) all Transferred Property (including, without limitation, the Residual GDB Cash Assets) has been transferred to the Issuer or, in the case of the Residual GDB Cash Assets, the amount thereof is determined by GDB to be zero dollars, (B) each GDB Retained Loan has either (1) been transferred to the Issuer as Transferred Property or (2) terminated according to its terms and all GDB Retained Loan Proceeds thereof have been transferred to the Issuer as Transferred Property, and (C) each Retained Cause of Action has been resolved, released or otherwise extinguished (and, in any such case, all Litigation Proceeds have been transferred to the Issuer as Transferred Property to the extent required by Section 3(e)).

(ii) Upon GDB's determination that all obligations required to be paid with the Cash Adjustments have been provided for, GDB shall transfer (A) any Excess Reserved Cash in an aggregate amount up to \$10 million to the Public Entity Trust in satisfaction of GDB's obligations under Paragraph 2 of the UCC Stipulation and (B) any Residual GDB Cash Assets to the Issuer pursuant to Section 3(a).

(iii) On or prior to the date that is 45 days following the end of each fiscal quarter, GDB shall prepare and deliver to the Issuer, the Servicer and the Collateral Monitor a Proposed GDB Budget, along with explanations of any material variances to the previous GDB Budget, which shall be in form and substance reasonably acceptable to the Collateral Monitor. Upon acceptance of such Proposed GDB Budget by the Collateral Monitor, the Proposed GDB Budget shall become the new GDB Budget, which GDB shall deliver to the Issuer, the Servicer and the Collateral Monitor; *provided, however*, that any such GDB Budget shall be superseded by the applicable PROMESA Budget for GDB to the extent GDB's compliance with such GDB Budget would cause GDB to be in violation of such PROMESA Budget.

(iv) Each GDB Budget shall set forth, among other things, projected cash disbursements, including anticipated uses of the Cash Adjustments, and projected cash receipts of GDB on a monthly basis for the immediately following twelve months and on a quarterly basis thereafter.

5. *Transfer Notice; Books and Records.*

(a) Each transfer of Transferred Property, whether transferred on the Closing Date or thereafter, shall be documented as set forth in this Section 5, and each item of Transferred Property so transferred shall be reasonably identified in a written notice of transfer, delivered by GDB to the Issuer, the Servicer and the Collateral Monitor; *provided* that such identification may be made in general terms so long as it contains information as may be necessary to make such transfer valid and effective pursuant to the GDB Restructuring Act.

(b) In connection with any transfer of Transferred Property, GDB shall, at its own expense, on or prior to the date of such transfer, deliver to the Servicer, on behalf of the Issuer, all Asset Documents relating to such Transferred Property that are in the possession or control of GDB (other than (i) any Asset Document in GDB's possession or control solely as a result of GDB's former role as fiscal agent and financial advisor to the Commonwealth and its instrumentalities and municipalities (other than GDB) and (ii) any Asset Document constituting privileged information, the transfer to the Issuer of which would result in the loss of such privilege), and the respective

accounting records and computer files of GDB and the Issuer shall reflect such transfer and assignment.

(c) The Issuer shall direct the Servicer to promptly, but in no event later than five Business Days following any written request from GDB or AAFAF, deliver a copy of any requested Asset Document to GDB or AAFAF.

6. *Issuer Responsibility for Transferred Property; Filing of Transfer Documents and Payment of Fees and Taxes; Notices to Obligor; Collection Account.*

(a) The Issuer shall have no duty or obligation to investigate or otherwise verify that the assets transferred pursuant to this Agreement constitute all of the assets which should be included in the Closing Transferred Property or the Transferred Property to be transferred to the Issuer pursuant to this Agreement after the Closing Date. GDB shall be responsible for the determination of whether any document or instrument must be filed or recorded with any governmental or other entity as a condition to such transfer and for the payment of any transfer fee, transfer tax, recording fee, intangibles tax or stamp tax or other tax or fee that may be required in connection with such transfer.

(b) GDB shall provide notice to each Obligor and relevant payment intermediary in respect of the Loans constituting Transferred Property and all other relevant Persons of such transfers notifying such Persons of the transfer of the Transferred Property and directing such Persons to send all future payments in respect of such Transferred Property as directed by the Servicer, pursuant to the Servicing Agreement. GDB shall use reasonable best efforts and cooperate with the Servicer to ensure the relevant payors make all future payments in respect of the Transferred Property directly to the Collection Account or otherwise to the Servicer. In the event that, after the Closing Date, any Collections are not remitted directly to the Servicer or the Collection Account or are received by GDB in any manner, GDB will remit or cause to be remitted such Collections to the Servicer in accordance with Section 3(a) hereof or as required pursuant to the Keepwell Agreement, as applicable.

(c) To the extent that any such transfer requires that notice of such transfer be given to the Obligor on any Transferred Property, or that any other condition be met for such transfer to be effective, GDB shall be solely responsible for providing such notice or satisfying such condition, and Issuer shall have no duty or obligation to provide such notice or satisfy such condition or to investigate whether such notice has been given or such condition is satisfied.

7. *True Sale.* Each transfer of Transferred Property by GDB to the Issuer shall be an irrevocable, non-voidable and absolute transfer of all of GDB's title and interest (as a true sale) and not a pledge or other financing, in accordance with the GDB Restructuring Act.

8. *Representations and Warranties of GDB.* GDB hereby represents and warrants to the Issuer as follows as of the date hereof:

(a) **Organization of GDB.** GDB is a public corporation and government instrumentality of the Commonwealth, duly created and validly existing under Act No. 17 of the Legislative Assembly of the Commonwealth, approved September 23, 1948, as amended, and has full legal right, power and authority to execute, deliver and perform its obligations under, as the case may be, this Agreement.

(b) **GDB Approvals.** GDB has taken all necessary action to authorize the execution and delivery by GDB of this Agreement and the performance by GDB of its obligations hereunder.

The execution and delivery by GDB of this Agreement and the performance by GDB of its obligations hereunder have been duly authorized pursuant to a resolution of the Board of Directors of GDB, which resolution is in full force and effect and has not been amended or repealed. The GDB Restructuring Act, as in effect on the date hereof, and the Qualifying Modification authorize GDB to execute, deliver and perform its obligations under this Agreement.

(c) **Legal, Valid and Binding.** GDB has duly executed and delivered this Agreement, and this Agreement will, assuming the due authorization, execution and delivery of this Agreement by the Issuer, constitute a legal, valid and binding obligation of GDB, enforceable in accordance with its terms, except as the enforcement hereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors or by general equitable principles.

(d) **No Material Breach.** Except as disclosed in the Solicitation Documents, (i) GDB is not in breach of or default under any constitutional provision, law or administrative regulation of the Commonwealth, the United States, or any governmental agency or instrumentality, any court order or any Material Judgment or Agreement and (ii) the adoption by the board of directors of GDB of the resolution described in Section 8(b) and the execution and delivery of this Agreement and performance by GDB of its obligations hereunder do not conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under, any such constitutional provision, law, administrative regulation or any Material Judgment or Agreement, nor will any such adoption, execution, delivery, or performance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of GDB or under the terms of any such constitutional provision, law, administrative regulation or Material Judgment or Agreement, in the case of each of (i) and (ii), that, after the United States District Court for the District of Puerto Rico issues the order approving the Qualifying Modification, in the aggregate, reasonably would be expected to have a material adverse effect on GDB's ability to perform its obligations hereunder or on the Transferred Property.

(e) **Governmental Approvals.** Any registration or filing required by, and all approvals, consents and orders of, any governmental authority, board, agency, council, commission, court or other body having jurisdiction that would be required for the execution and delivery by GDB of this Agreement and performance by GDB of its obligations hereunder have been made or obtained or, in the case of any future transfer pursuant to this Agreement, will be made or obtained prior to such transfer.

(f) **Description of the Transferred Property.**

(i) To the best of GDB's knowledge, the description of the Transferred Property included in the Offering Memorandum (including, without limitation, the risks related to the Transferred Property and to the Obligors thereunder) does not include any untrue statement of material fact or omit to state any material fact necessary to make the statements therein regarding the Transferred Property, in light of the circumstances under which they were made, not misleading.

(ii) To the best of GDB's knowledge, the assets described in Schedules 2 through 12 constitute all of the assets owned by GDB as of the Closing Date. The assets listed on Schedules 2 through 7 set forth an accurate and complete list of all Closing Transferred Property other than the Beneficial Interest Assets, and the assets listed on Schedule 8 set forth an accurate and complete list of all GDB Retained Loans. True and complete copies of all material documents relating to GDB's assets in GDB's possession have been made available to the Requisite Bondholders prior to the Closing Date.

(iii) Except as disclosed in the Solicitation Documents with respect to certain of the Real Property Assets, GDB has good and marketable title to, and the right to sell, transfer and convey to the Issuer, the Closing Transferred Property.

(iv) Except as set forth in the Transaction Documents, GDB has not issued, assumed or guaranteed any indebtedness, incurred any material liabilities, direct or contingent, or entered into any contract or arrangement of any kind payable from or secured by a lien on the Transferred Property that, in the aggregate, would have a material adverse effect on the Transferred Property or the performance by GDB of its obligations hereunder.

(v) Except as disclosed in the Solicitation Documents, there are no material defaults, breaches or uncured violations by any Obligor under the Transferred Property, there are no existing disputes between any Obligor under the Transferred Property and GDB, and there are no Persons having rights under or with respect to the Transferred Property, in each case, that, in the aggregate, reasonably would be expected to have a material adverse effect on the Transferred Property, taken as a whole, or the performance by GDB of its obligations hereunder.

(vi) Notwithstanding the foregoing, GDB makes no representations hereunder as to the quality or collectability of the Transferred Property.

(g) **Litigation.** Except as disclosed in the Solicitation Documents, GDB has received no notice of and has no knowledge of any pending legislation or other governmental action or pending or threatened litigation, proceeding or official investigation that, in each such case, would (i) in any way (A) materially adversely affect the Issuer, (B) materially adversely contest or affect the Issuer's receipt of current or future Collections, GDB Retained Loans or the Residual GDB Cash Assets to which the Issuer is entitled or (C) materially adversely contest or affect the validity, binding effect or enforcement, in accordance with their respective terms, of this Agreement, the GDB Restructuring Act, the Qualifying Modification, the Public Entity Trust, the Bonds, the other Transaction Documents, or the liens benefiting the Bonds or (ii) if adversely determined, materially and adversely affect the Transferred Property or the performance by GDB of its obligations hereunder.

(h) **Compliance with the Restructuring Support Agreement, GDB Fiscal Plan and GDB Restructuring Act.** From and after the execution of the Restructuring Support Agreement, GDB has, in all material respects, operated its business and managed the Transferred Property in a manner consistent with the GDB Fiscal Plan, the Restructuring Support Agreement and the GDB Restructuring Act.

(i) **Compliance with Qualifying Modification.** The execution and delivery by GDB of this Agreement and the performance by GDB of its obligations hereunder are consistent with the Qualifying Modification.

9. *Representations and Warranties of the Issuer.* The Issuer hereby represents and warrants to GDB as follows as of the date hereof:

(a) **Organization of the Issuer.** The Issuer is a statutory public trust and government instrumentality of the Commonwealth, duly created and validly existing under the GDB Restructuring Act, and has full legal right, power and authority to execute, deliver and perform its obligations under, as the case may be, this Agreement.

(b) **Issuer Approvals.** The Issuer has taken all necessary action to authorize the execution and delivery by the Issuer of this Agreement and the performance by the Issuer of its obligations hereunder. The execution and delivery by the Issuer of this Agreement and the performance by the Issuer of its obligations hereunder have been duly authorized pursuant to a resolution of the Board of Trustees of the Issuer, which resolution is in full force and effect and has not been amended or repealed.

(c) **Legal, Valid and Binding.** The Issuer has duly executed and delivered this Agreement, and this Agreement will, assuming the due authorization, execution and delivery of this Agreement by GDB, constitute a legal, valid and binding obligation of the Issuer, enforceable in accordance with its terms, except as the enforcement hereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors or by general equitable principles.

10. *Covenants.*

(a) GDB hereby acknowledges, covenants and agrees that:

(i) GDB shall not (nor shall any entity on behalf of GDB) enter into any agreement to modify an Additional Recovery Authority Loan on or after the Closing Date that includes any provision that would result in the removal of any lien, security or other pledge rights benefiting such Loan except to the extent required for the sale of any such collateral where the proceeds of that collateral will be immediately made available to the Issuer.

(ii) GDB shall not (nor shall any entity on behalf of GDB) enter into any agreement to modify an Additional Recovery Authority Loan on or after the Closing Date without the prior written approval by the Servicer that such modification is commercially reasonable (*provided*, for the avoidance of doubt, that the Servicer's approval of such modification may only be given after the Collateral Monitor has received 10-days' prior written notice of the Servicer's approval of the modification and has not objected in writing to such modification).

(iii) GDB shall use commercially reasonable efforts, in cooperation with the Servicer and the Issuer, to perform the actions of GDB required to transfer the servicing of the Transferred Property and the Collections from GDB to the Servicer.

(iv) GDB shall use commercially reasonable best efforts to maximize the return on the GDB Retained Loans, *provided* that it shall not be required to bring any action seeking to obtain a judgment against a public entity that is an obligor under any such Loan or seeking to foreclose upon any of such public entity's assets except, in each case, insofar as is necessary to preserve the payment or lien priority or rights in respect of any such Loan.

(v) GDB shall provide the Issuer, the Servicer and the Collateral Monitor with all material communications and other materials relating to any modification, restructuring or similar transaction in respect of the GDB Retained Loans.

(vi) GDB shall not (nor shall GDB request or prompt any other entity on behalf of GDB to) impair, limit, restrict, rescind, delay or modify the rights or powers of the Issuer, the Indenture Trustee or the Bondholders under the GDB Restructuring Act or under or in respect of the Transferred Property or the Collections or the Issuer's ability to

meet its obligations to the Bondholders until the Bonds, together with the interest thereon, and all amounts and obligations under the Bond Indenture and the other Transaction Documents, have been paid in cash in full or otherwise discharged in accordance with their terms.

(b) Each of GDB and the Issuer acknowledge, covenant and agree that it shall not (nor shall either such Party request or prompt any other entity on behalf of such Party to) promote or support any bill or legislation or enter into any agreement, in each case, that is inconsistent with the Restructuring, this Agreement or the Qualifying Modification and that would reasonably be expected to have a material adverse effect on the Transferred Property or GDB's ability to perform its obligations hereunder or under the Qualifying Modification.

11. *Assumed Liabilities; No GDB Repurchase Obligation; Limitation on Liabilities and Release of Individual Trustees.*

(a) The Issuer hereby assumes as of the Closing Date, in connection with the transfer of the Transferred Property to the Issuer, the Assumed Restructuring Cost Liabilities.

(b) Other than the Assumed Restructuring Cost Liabilities, the Issuer is not assuming any liability or obligation of GDB (or any predecessor of GDB or any prior owner of all or part of its businesses and assets) of whatever nature, whether presently in existence or arising hereafter. All such liabilities and obligations shall be retained by, and remain liabilities and obligations and liabilities of, GDB.

(c) GDB shall have no obligation to repurchase any of the Transferred Property. The Issuer acknowledges that the transfer of the Transferred Property by GDB to the Issuer shall be without recourse to GDB or its assets (except as provided in the Keepwell Agreement). The Issuer further acknowledges that has received no assurances from GDB as to the quality or collectability of the Transferred Property.

(d) Notwithstanding any other provision of this Agreement, the obligations of the Issuer to pay any obligation under this Agreement or to incur any expense with respect to any Transferred Property transferred pursuant to this Agreement is limited solely to the Transferred Property and the Collections, and is not an obligation of any individual member of the Issuer's Board of Trustees, and GDB and each other beneficiary under this Agreement hereby releases each member of the Issuer's Board of Trustees from any individual liability or obligation hereunder.

12. *Transfer Default.*

(a) Each of the following events shall constitute an event of default by GDB under this Agreement (each, a "**Transfer Default**"):

(i) GDB fails to transfer to the Issuer any Transferred Property as and when required by this Agreement or, if any Transferred Property or Collections required to be transferred hereunder are held by a third party, GDB fails to make reasonable efforts to cause the transfer of such Transferred Property or Collections by such third party to the Issuer within 15 days of GDB becoming aware of the existence of such Transferred Property or Collections, in each case, which failure is continuing for a period of 10 days after GDB's discovery or receipt of written notice thereof;

(ii) GDB fails to disclose to the Issuer the existence of any Transferred Property that is required to be transferred to the Issuer but not yet transferred within five

Business Days following the receipt, identification or discovery thereof, which failure is continuing for a period of 10 days after GDB's discovery or receipt of written notice thereof, *provided* that such failure to disclose shall not constitute a Transfer Default if such Transferred Property is timely transferred to the Issuer in accordance with this Agreement; or

(iii) GDB fails to comply in any material respect with any other covenant contained in this Agreement; *provided* that such failure shall only be deemed a Transfer Default if GDB has not cured any such failure as promptly as possible but in any event within 60 days after notice to GDB specifying such failure, *provided further* that if the nature of such failure is such that more than 60 days are reasonably required for its cure, then it shall not be deemed to be a Transfer Default if GDB commences such cure within said 60-day period and thereafter diligently prosecutes such cure to completion.

(b) Upon the occurrence and during the continuation of a Transfer Default, the Servicer, in its own name and on behalf of the Issuer, shall be automatically authorized and empowered to take any action reasonable and appropriate to procure such Transferred Property or Collections that GDB or any relevant third party, as applicable, has failed to transfer to the Issuer, including, without limitation, by bringing an action to compel such transfer pursuant to Section 19; *provided* that, with respect to such failure that is not able to be cured, as determined by GDB in good faith, such opportunity to cure need not be given.

(b) The Parties may otherwise amend, modify, supplement or waive any of the provisions of this Agreement with the written consent of the Indenture Trustee for any other purpose if (i) the Indenture Trustee concludes that such amendment will not adversely affect the interests of the Bondholders or (ii) the Indenture Trustee shall have obtained the consent of Bondholders holding not less than a majority of the Outstanding Amount.

(c) No amendment, modification, supplement or waiver of any of the provisions of this Agreement may reduce the percentage of the Outstanding Amount required to consent to amendments, modifications, supplements and waivers pursuant to Section 16(b) without the consent of each Bondholder.

(d) Any amendment, modification, supplement or waiver of any provision of this Agreement shall be in writing and signed by the Parties.

17. *Third-Party Beneficiaries.* Each of the Indenture Trustee, on behalf of the Bondholders, and the Servicer, shall be an express third-party beneficiary of this Agreement, and is hereby authorized and empowered to enforce all provisions of this Agreement, as if it were a party hereto. Each of the Parties further agrees that notice as provided in Section 20 shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each of the Parties hereby irrevocably and unconditionally waives and agrees not to assert, to the fullest extent permitted by law, any objection that it may now or hereafter have that (b) a proceeding in any federal court sitting in the Puerto Rico district is brought in an inconvenient forum, (c) the venue of such proceeding is improper, (d) such Party is immune from suit in federal court or (e) that any federal district court sitting in

Puerto Rico and any appellate court from any thereof lacks jurisdiction over such proceeding or any party thereto.

(f) EACH PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY.
